Thank you so much for your interest in joining the Mary's Meals family. As you consider making an application for the role of Finance Officer with Mary's Meals UK, I hope you find this pack helpful, encouraging, and exciting.

In joining Mary's Meals UK, you would become part of a global movement of people who will simply not accept that any child should go hungry in this world of plenty. We are passionately driven by our simple belief that every child in the world deserves an education – and enough to eat.

From small beginnings feeding just 200 Malawian children in 2002, we are now reaching 2,429,182 children across 18 programme countries (including Malawi, Liberia, Zambia, Haiti, South Sudan, and Syria) with a nutritious daily meal in school.

This meal not only meets the immediate needs of the hungry child, but it attracts children to the classroom, where they can gain an all-important education. And we firmly believe that the children who are receiving Mary's Meals today can grow up – better nourished and better educated – to become the men and women who will lift their communities out of poverty and end their reliance on aid.

None of this would be possible without the incredible generosity of our supporters all over the world, who give freely of their time, money, skills, and prayer. In Malawi alone, we have 80,000 volunteers who rise early each day to serve Mary's Meals to children in their community.

And, across Mary's Meals' dozen or so 'national affiliate' countries, in which we raise awareness and funds for our work (including the UK, USA, Austria, Germany, Ireland, Croatia and Canada), thousands of people amaze and inspire us every day with their 'little acts of love', spreading the word about Mary's Meals in their local communities and raising money to feed more children.

The UK, where we received the first-ever donations for our work, remains the country in which Mary's Meals raises the majority of its funds. And Mary's Meals UK, the organisation I am privileged to lead is responsible for continuing to tell our story across Scotland, England, Northern Ireland and Wales; engaging and inspiring more and more UK volunteers and donors; and driving forward the unrelenting growth of the Mary's Meals movement on these shores.

We do this while working very closely and collaboratively with our colleagues at Mary's Meals International, the organisation which co-ordinates the global movement and directly manages our school feeding programmes.

The Finance Officer will work in the Mary's Meals UK Finance Team providing day to day financial accounting for the Charity, ensuring accurate, timely and efficient delivery of the services for the Charity.

With more than 67 million children out of school around the world and a further 73 million attending school so hungry, they're unable to concentrate and learn, our work is only just beginning. Will you play a crucial part in shaping the future of Mary's Meals UK and, with it, the lives of so many people who both contribute to and benefit from this incredible work of love, joy, and hope?

I look forward to hearing *your* story.

Mary's Meals is a global movement that sets up school feeding projects in some of the world's poorest communities, where poverty and hunger prevent children from gaining an education.

Our idea is a simple one that works. We provide one daily meal in a place of learning in order to attract chronically poor children into the classroom, where they receive an education that can, in the future, be their ladder out of poverty.

The Mary's Meals campaign was born in 2002 when Magnus MacFarlane-Barrow, from Dalmally in Argyll, visited Malawi during a famine and met a mother dying from AIDS. When Magnus asked her eldest son Edward what his dreams were in life, he replied simply: "I want to have enough food to eat and to go to school one day."

That moment was a key part of the inspiration which led to the founding of Mary's Meals, which began by feeding just 200 children in Malawi in 2002. Today, 20 years later, we feed over 2.4 million hungry children every school day across four continents.

Where Mary's Meals is provided, there is a rise in school enrolment, attainment and attendance. Wherever possible, Mary's Meals uses locally grown food to support the local economy and help smallholder farmers.

We work extremely hard to keep our running costs low which means that it costs just £19.15 to feed a child with Mary's Meals for a whole school year. This is only possible because most of our work is done by an army of dedicated volunteers all over the world, who carry out lots of little acts of love on behalf of Mary's Meals.

Having been inspired, in part, by our founder's Catholic faith, this work is named in honour of Mary, the mother of Jesus, who brought up her own child in poverty. We consist of, respect and reach out to people of all faiths and none.

Counting on support from around the globe, Mary's Meals has registered national affiliate organisations, which raise awareness of our work, in 18 countries around the world. Funds raised by affiliates, including from Mary's Meals UK, are passed to Mary's Meals International, the organisation which co-ordinates our movement and directly manages the delivery of our school feeding programmes.

Mary's Meals UK (or 'MMUK'), a charity registered in Scotland, is the oldest entity in the Mary's Meals family – the original organisation established as Scottish International Relief in the early 1990s, when our founder and global CEO, Magnus MacFarlane-Barrow, first became involved in international aid during the Bosnian Conflict.

Back then, Magnus was a simple salmon farmer who, along with his family, decided to do something to help those who were suffering because of the war.

They relied heavily on the generosity of local people in their village of Dalmally in Argyll, who relentlessly donated food, blankets and other items of aid, which were then stored in the family shed, before being driven out by Magnus to Bosnia-Herzegovina.

Though our largest office is now in Glasgow, that same shed – which continues to be filled, metaphorically at least, with the generosity of our supporters – still serves as the headquarters of Mary's Meals UK to this day.

In January 2015, to recognise the incredible growth of the Mary's Meals movement around the world and to facilitate future growth in new countries, another entity – Mary's Meals International (or 'MMI') – was formed.

This new organisation assumed responsibility for directly delivering our programmes and for coordinating the growing number of Mary's Meals organisations around the world, aimed at either awareness-raising or programme delivery.

This structural change saw Mary's Meals UK become the global movement's largest fundraising organisation and enabled it to focus even more passionately on its mission to tell our story across Scotland, England, Northern Ireland and Wales, and empower more people to help us reach the next hungry child by offering their money, goods, skills, time or prayer.

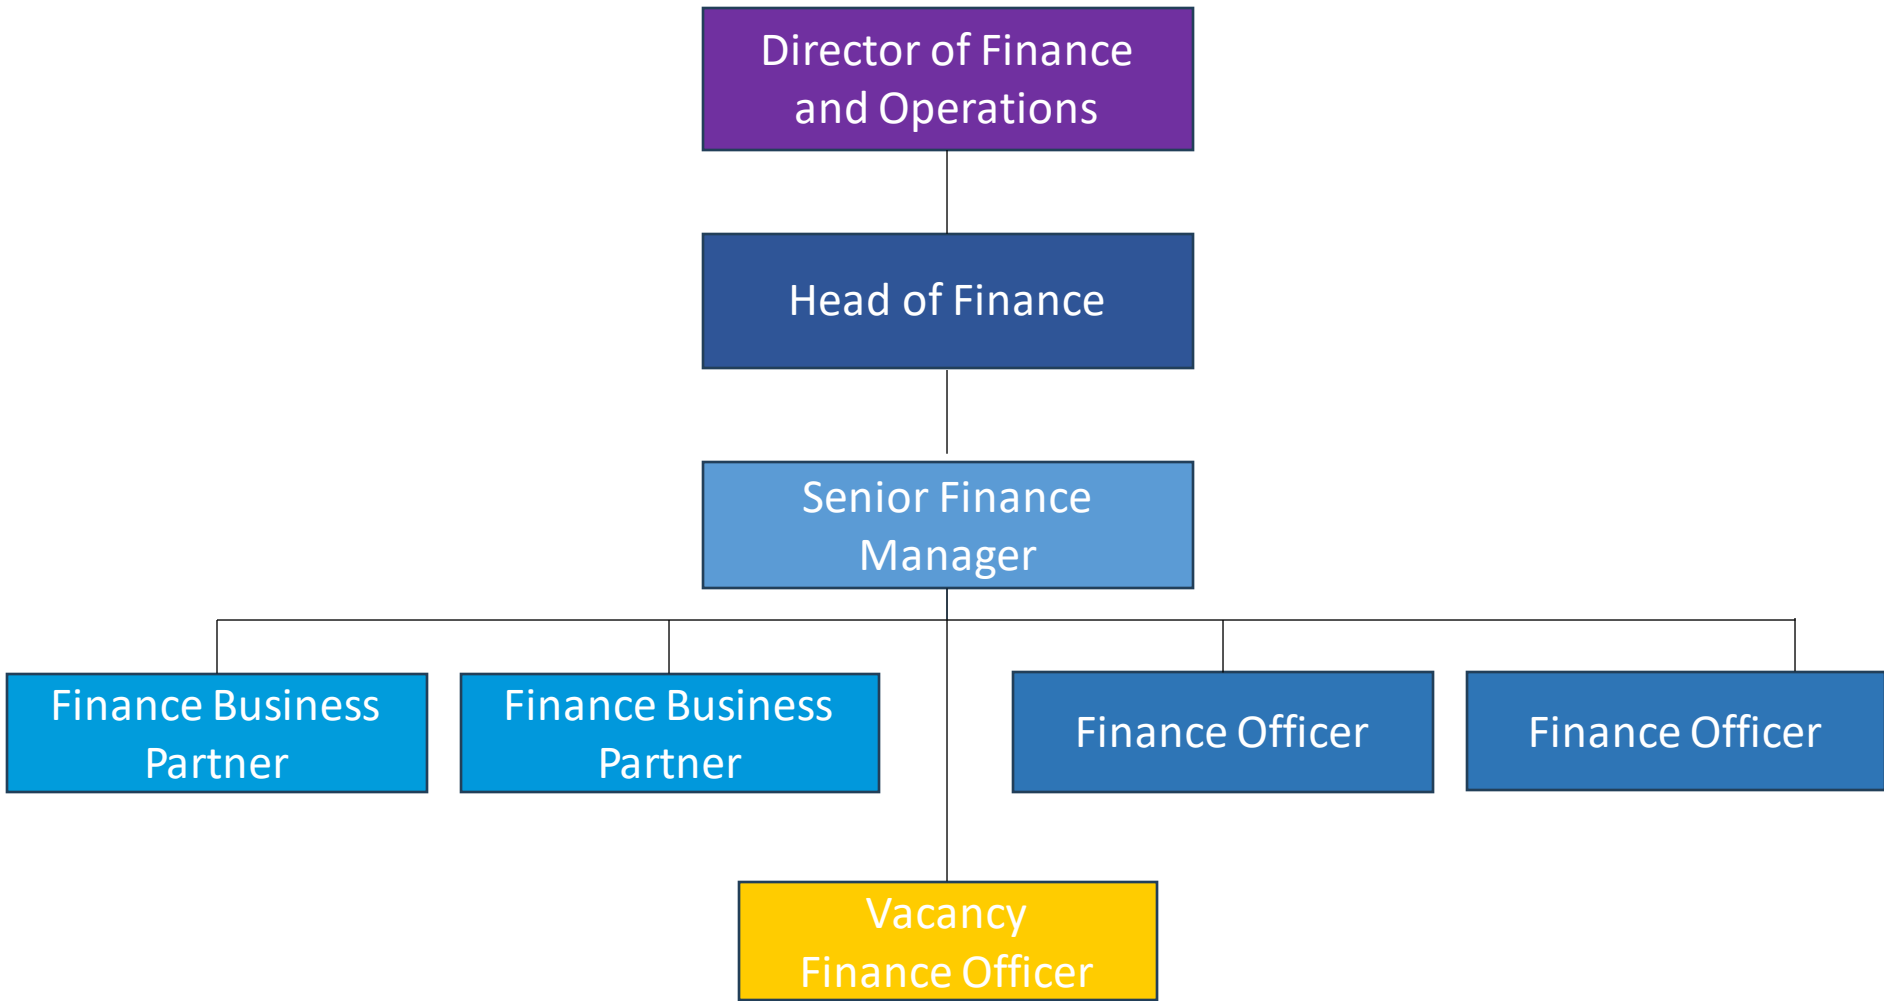

Today, Mary's Meals UK raises awareness and funds under the direction of the Executive Director, and through the passion, commitment and dedication of our volunteers and staff, led by the Director of Communications, Director of Supporter Engagement and the Director of Finance and Operations. The organisation currently has offices in Glasgow and London and offers staff a flexible working model.
